CPD needs are identified largely through existing mechanisms such as performance management, self-evaluation, sector expertise, national and local priorities, other internal and external monitoring and feedback evidence and through informal and formal discussions with individuals and teams. The CEO is accountable for setting the budget.

The opportunities available are only offered if they:

- Respect cultural diversity.
- Are provided by those with necessary experience, expertise and skills.
- Are based, where appropriate, on relevant standards.
- Provide value for money.
- Have effective monitoring and evaluation systems.

VLUK supports a wide portfolio of CPD approaches which reflect the learning effectiveness of the participants. These include:

- Peer support.
- HOW2 Strategies.
- Internal training using the expertise available within VLUK and collaborative activity (e.g., collaborative teaching, planning and assessment, work with a learning team, classroom observation, existing expertise, peer evaluation, collaborative enquiry and problem-solving, modelling).
- Coaching and mentoring and engaging in a learning conversation.
- Job enrichment/enlargement (e.g., a higher level of responsibility, shadowing, leading meetings).
- Partnership / collaborative working with partner establishments.
- Accessing an external consultant/adviser or relevant expert.
- Master classes, model and demonstration lessons.
- Attendance at a lecture, course or conference.

POLICY - PRINCIPLES OF CPD

All CPD provided by the VLUK should, where possible:

- Be relevant to the needs of learners and all employees.
- Be aligned with the core KPIs of VLUK.
- Challenge and support teaching staff to raise the quality of their teaching.
- Challenge and support non-teaching staff to improve and develop their ability to succeed and improve in the quality of delivery and execution of the roles and responsibilities.
- Motivate and inspire.
- Have its impact monitored and evaluated.
- Be inclusive and relevant for all staff.

In addition, CPD may include some of the following:

- Involve a spectrum of opportunities from external accredited courses to self-study.
- Involve opportunities for individual learning.
- Include opportunities for collaborative learning.
- Involve peer support and coaching.

POLICY - EVALUATION

Following all professional or other development training sessions records of attendance are taken and individual tutors record participation in their performance management folders. Termly evaluation forms are used to identify if colleagues found the training received valuable and how they intend to apply to their practice.

The SQLs and DoO are accountable for assessing the impact of all teaching and learning CPD through:

- Immediate/short term evaluation by participants.
- Longer term follow-up undertaken usually at a period no less than 6 months following the provision.
- Informal discussion with colleagues about improved practice.

SQLs and DoO provide a report (as required by QA Planner) on the impact of all CPD.

POLICY - ANNUAL OFSTED AWARENESS

At the start of each academic year, all tutors will be expected to read the 'Education Inspection Framework' to ensure they are familiar with expectations.
